I am in the field all week and may be able to make a call.

Either way if you all discuss the data and let me know the range for the maps and I can do those next week.

I am in today and traveling back to KY tomorrow afternoon. Can we discuss the data one day next week?

Dave

Subject: Canadian Radium & Uranium Electronic Data

Attached are electronic copies of a data package and a cover letter for the Canadian Radium and Uranium Project as well the EDD for the data. Hard copies will not be sent unless requested.

Please let me know if you have problems with the files or require hard copies of the data package and cover letter.

If you have questions regarding the data, please contact Cindy White at 334-270-7052.

NAREL reports data to the requestor only. If results are needed by contractors or others in your region, please forward this email along with its attachments as you deem necessary.
